frontiers of biogeography

the scientific magazine of the International Biogeography Society

volume 1, issue 1 - september 2009

ISSN 1948-6596

frontiers of biogeography is published by the **International Biogeography Society**, an international and interdisciplinary society contributing to the advancement of all studies of the geography of nature

frontiers of biogeography is available online at the **IBS** website: <http://www.biogeography.org/html/fb.html>

frontiers of biogeography aims to be a forum for biogeographers and a way to disseminate research in biogeography to the general public; our scope includes research updates and reviews, opinions and perspectives, interviews, articles on how to teach, disseminate and/or apply biogeographical knowledge, but not original research results based on data (see editorial instructions); submissions and editorial requests are welcome at frontiersofbiogeography@gmail.com and ibs@mncn.csic.es

frontiers of biogeography uses a publication agreement based on the Creative Commons scheme to ensure that the authors retain full intellectual property (IP) rights on their work, and that this is freely available for any non-commercial use; under this agreement, the IBS retains only the copyright of the journal compilation under a Creative Commons Attribution Non-Commercial No Derivatives (CCANCND) license; the authors have full IP over their texts under an universal Creative Commons Attribute License (CCAL), being able to distribute their work (incl. the original PDFs) actively from the day of publication, and passively from one year after (see the full license information in the last page)
